## Why we better than others

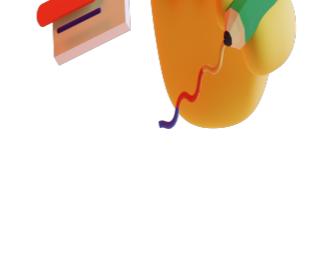

On the flip side, we really don't like it when people are tricked and made to feel bad about themselves.

**Convenient course schedule**

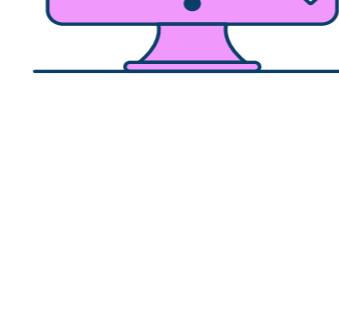

**Modern Resources**

**Individualized Learning**

## We have been offering many courses at an affordable price.

**Web development**

5000/- 8000/-

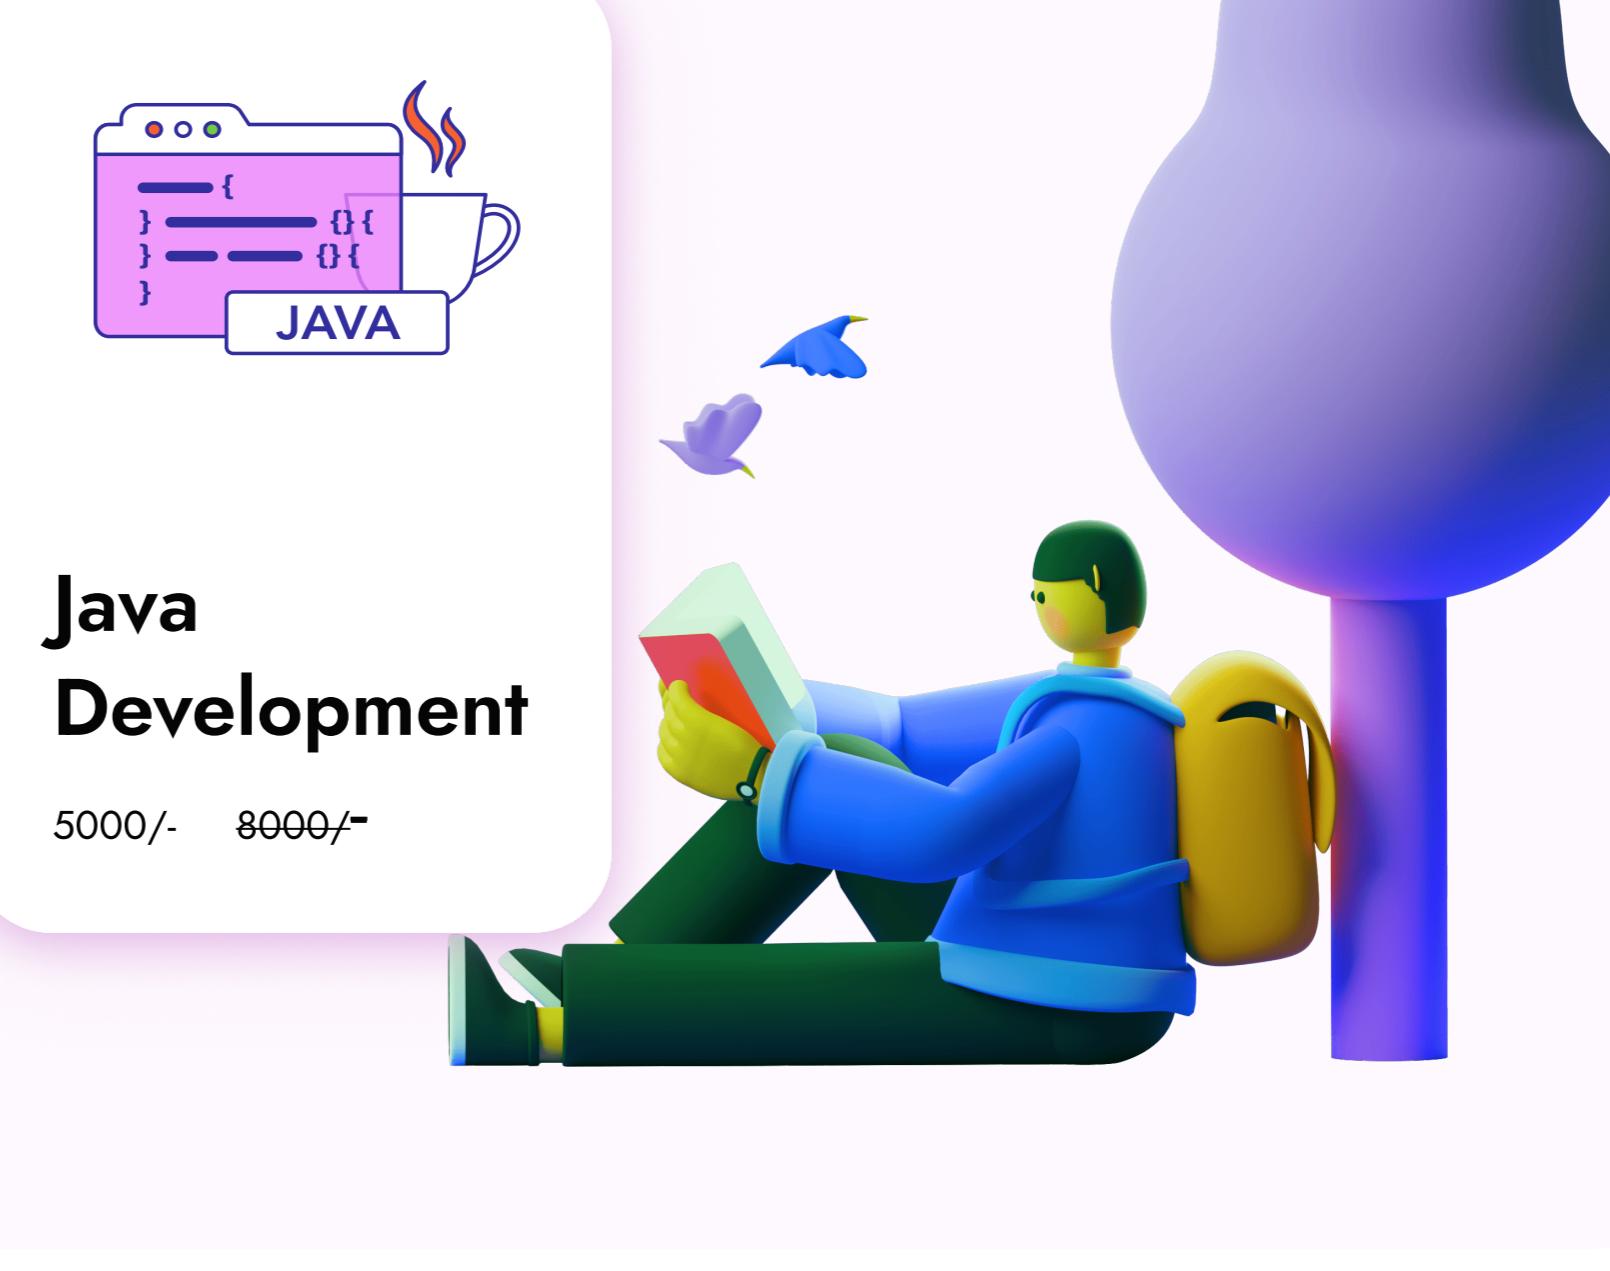

**Data Structure**

5000/- 8000/-

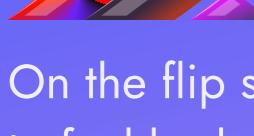

**Java Development**

5000/- 8000/-

## Each student can share their discount code for friends

However, I need to clarify how this misunderstood concept of criticizing pleasure and esteeming pain originated. I'll provide you with a thorough explanation of the entire system.
